February 6, 1945 - April 20, 2015

Tim Bunce Sr. and Peggy Bunce of Edmond, Oklahoma were called to be with the Lord on April 20th and 21st, 2015. Tim was a graduate of Georgia Tech, earning a Bachelor's Degree in Engineering. They are survived by their children, Cyndi Sparks and Tim Bunce Jr., both of Oklahoma City; as well as four beautiful grandchildren, Madison and Mackenzie Schwenke, Baylor Sparks, and Kinley Bunce, all of Oklahoma City.

Timbo Jr. and Cyndi would like to extend gratitude to the employees of Celestica, Midcon, and Lucent for their outstanding support during this time of grief. They also would like to express gratitude to the many family and friends for their thoughtfulness and comfort.

A come-and-go visitation and reception will be from 6-8pm on Tuesday, April 28th at Crawford Family Funeral Service, Edmond. A service celebrating their lives will be at 10:00am on Wednesday, April 29th at the funeral home with burial following at Gracelawn Cemetery, Edmond. “ Tim will be remembered as an extremely dedicated and thoughtful Leader. But to us, his colleagues, Tim was much more than an outstanding Leader. He will be remembered as a warm and caring friend, and as a dedicated mentor who always gave credit to his "team". I would like to add my deepest condolences and sadness on this tragic loss. My condolences to his family, and to his colleagues.

Regards,

“ So sorry about the passing of both Peggy and Tim. I went to school with your mom in Warner Robins, GA. We graduated together in 1964. Peggy was a sweet and caring person and was very well liked and always had a smile for everyone. RIP sweet Peggy. Prayers for all the family.

“ Growing up with Tim Jr., the guys called him "Bunce-Cat", an endearing term, because he had the brain and attention span of the average house cat, yet surprisingly soothing to have around; much like a beloved loved pet. I'm sorry to hear of the passing of Bunce-Cat's parents. My thoughts and prayers are with the Bunce family.

“ Dear Cyndi and Tim,

We were deeply saddened to learn of the passing of your mom and dad. Your dad and I carpoled together sharing stories and family experiences. He was so proud of you. I remember vividly he would tell how excited he and your mom were awaiting the arrival of Madison. Many Madison stories were told along with the progress of Georgia Tech. football and basketball. At work, dad was always willing to go beyond the call in helping to solve an IT problem causing many late dinners.

Your parents' kindness during Faye's successful battle with breast cancer will not be forgotten.

“ I knew Tim and Peggy when they were in Georgia. In high school, Peggy was everyone's friend. Always smiling and had a positive attitude. Although, I didn't know Tim that well, he was an "All right" guy in my book.

“ Dear Cyndi and Tim,

It was with the greatest sorrow that I heard from Lara of the incredibly sad loss of both your parents. There are so many fun, sweet memories of the years we spent with them in Faircoud.. They were the first to welcome us to the neighborhood,

coming over with a bottle of wine and one of your mother's delicious hors d'oeuvres, which we shared on our deck. This began over a decade of a wonderful and close friendship. I lost touch after moving away, but they will always remain as the sweetest, most loving couple and the most giving and best of friends I've ever known.

With all my sympathy and love to both of you and your children,

“ I will cherish the memories of Tim and Peggy. Never an event went by that my sister-in-law did not celebrate with us. Tim would arrange the plans and Peggy would come to Florida to celebrate the birth of our children, the sporting events and many other times of need. We would spend time talking and laughing. Tim and Peggy, you will be missed. The memories will be with us forever.

“ Tim and Peggy were both dear Faircloud friends. They always talked about Tim and Cindy and always asked about your own family. Some of the most memorable Christmas Parties were held at their house and enjoyed by so many. I count myself very fortunate to have been touched by their kindness through the years. Remember the Christmas I bought the kids an air hockey table and had NO clue how to put it together or get it upstairs. Tim was the first to volunteer along with Jim Bradley- what a fun memory! “ I can honestly say that I have never, ever, met a man that was such a kind, loving, and caring gentle of a giant than Timothy Lane Bunce. His was a life lived with compassion, integrity, honesty, love, and devotion. I've known him since Peggy brought him into our lives and I am grateful and honored to have loved him. He was a comforting figure in my young life because I needed male role models to look up to. 'Big Tim' stepped in when I lost my dad and assuage the pain that he was all too familiar with himself. I will never forget, he took me to my very first college football game, it was Homecoming at Georgia Tech against Tulane. Tech won a thriller in the final minute. And so I became a 'Jacket' fan, much to the chagrin of my Bulldog brother and buddies. I had my first chili dog at The Varsity with him. He took me to my first pro soccer game, the Atlanta Chiefs, and bought me a soccer ball at the game. He helped Johnny put together the drum set that 'Santa' brought. I always spent summer weeks with Peggy and Tim. I had my first kiss in Elon College (her name was Brooke and I had to stand on a brick to reach her). One Christmas Nina gave me a choice, a CB radio, or a trip up to the Bunce's. Easy choice there! I was sitting with him to watch Hank Aaron break the Babe's home run record in Rural Hall. We went to High School Christmas tournament basketball games at the Greensboro Civic Center. We saw the Demon Deacons in Winston Coliseum. And there are many more, just too many to list. So what I'm saying is...

I grew up from a boy to a man in the shadow of one of the greatest role models that ever lived. He loved me like I was one of his own, and you've all seen how he loved his kids and grand kids. Tim Bunce had a kind and loving heart, and he was always true to his nature, never strayed. Thank you 'Big Tim', I love you my Brother.

“ I never had the pleasure of meeting Tim or Cindy. I am comforted in knowing that together they impacted the lives of so many. My brother in law, Barry Hill was one of the individuals that was blessed by their love and support.

My condolences to the Bunce children and their families. While the plan is not always clear, God is good.

“ Barry Hill and other family of Peggy and Tim, Peggy and I were high school friends and I have such wonderful memories of those years. We had lost touch over the years but I will never forget our good times together when we were young girls. My husband Gary was a classmate of Peggy's brother Johnny. I also remember your parents well and visiting the house on Pleasant Hill Rd many times. Barry I remember as the younger brother. So sorry for your loss and prayers for your family. “ Dear Cindy and Tim, When we moved beside you in Burlington, Cindy and Becca were so little. Little Tim and Dayna were not even here yet! The years have flown by and now all are grown with children. Peggy and I talked a few times on the phone since we left OK and always picked up as if we were still neighbors. We love you both and am so so sad about your parents. They were wonderful friends. Love Jerri
