TOTAL: ? Attendees

There are a lot questions about this list. Some of the markings weren't clear enough and folks may have been left off this list who were there. If you've been left out, contact Bruce Garey [at brucegarey@bellsouth.net](mailto:brucegarey@bellsouth.net) and I'll correct the list. Sorry. If I've included you and you didn't make the picnic, please let me know and I'll correct for accuracy.
